

## THE HERITAGE MURAL EDUCATION PROGRAM

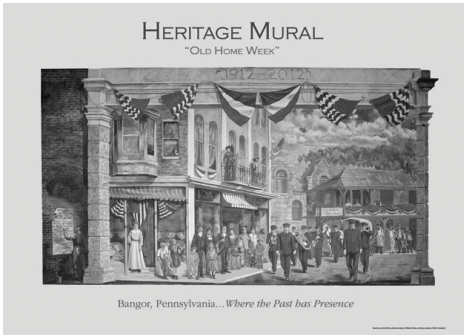

In August of 2008, Totts Gap Arts Institute partnered with the [Bangor Borough](#) and the Bangor Main Street Program, now the [SBCP](#), to produce a Heritage Mural, painted on the Trust Building in the heart of our historic downtown Bangor, Pennsylvania.

This is the first in a series of Murals that will:

- Promote and preserve our Heritage
- Compliment a proposed historic district
- Highlight local art and artists
- Provide educational opportunities for the community
- Be a catalyst towards development of our community branding and marketing efforts

You can see a documentary film of the process [here](#).

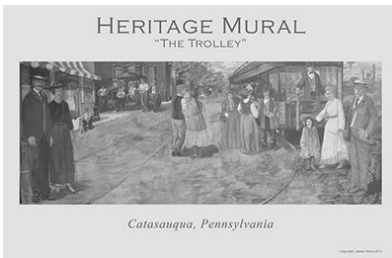

The goal of TGA's Heritage Mural Education Program is to empower our students by teaching art skills and life skills while producing professional work. Proceeds from donations and sales of all prints are used to help fund future murals. 100% of your purchase benefits the Heritage Mural Education Program at [Totts Gap Arts Institute](#).
